Prayers Take Us Beyond All Negative

Prayer

All our deeds and thoughts create vibrations. The higher the thought frequency, the higher do our vibrations rise. When we pray, we express gratitude, we set our intentions and we attract the good in the Universe. We open a divine portal towards growth, abundance, blessings and our desires to fruition. We rise above and beyond all the negatives which pin us down.

Join me in today's episode as we experience the divinity that prayers have made possible.
