

1<sup>st</sup> January 2022

## HAPPY NEW YEAR

Welcoming 2k22 with so much joy and excitement by these little PIETians 🌸💖  
Reminiscing a year gone by, full of joy, achievement and hope. PIET NFL is grateful to everyone who made this the wonderful year that it was!

12<sup>th</sup> January 2022

## COVID-19 VACCINATION

At PIET NFL we started the first doze of vaccination drive for all our students in the age group of 15\_18 years. The whole exercise was planned and executed with utmost care and vigilance.

19<sup>th</sup> January 2022

## NATIONAL LEVEL ABACUS COMPETITION

National Level Abacus Competition was held on 25th December 2021. The Competition gave a great exposure to the young PIETians to review their skills and knowledge in which they came up with flying colours.

Following students have been awarded different positions in the prestigious Competition:

- ✚ Grade IV Yuvraj: Champion of Champion
- ✚ Grade III Avanshu Champion
- ✚ Grade III Avni : Champion of Champion

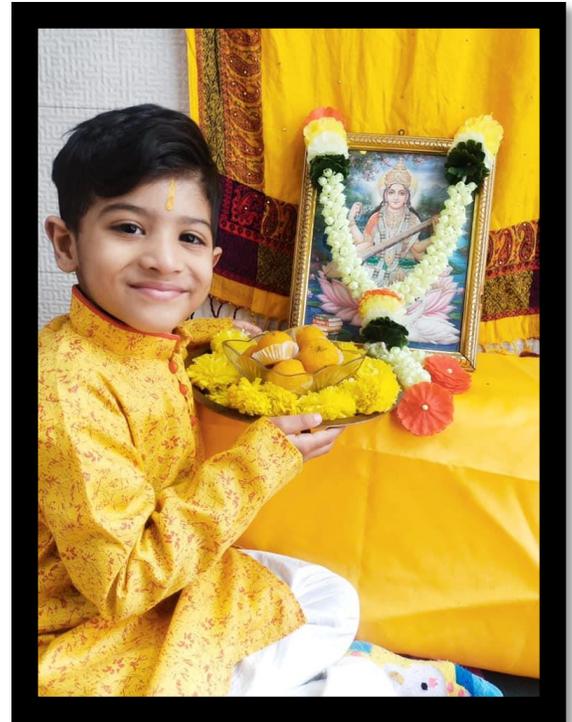

22<sup>nd</sup> February 2022

## HAPPY BASANT PANCHAMI

Our little PIETians wish you all a very Happy Basant Panchami . 🌞🌞

This festival is observed every year either during January or February. This also marks the beginning of the spring season and this alone is a big reason to rejoice and celebrate.

17<sup>th</sup> February 2022

## INSPIRE AWARDS - MANAK

Success means having the courage, the determination, and the will to become the person you believe you were meant to be. 🌟🌟🌟🌟🌟

🌟 Proudly presenting our gems who have been selected for an Inspire Award by Department of Science and Technology, Government of India 🧪📖

In frame:

🌟 Mannat Phougat, Grade VIII-A

🌟 Shagun Negi, Grade IX-A

Innovation in Science Pursuit for Inspired Research' (INSPIRE)

scheme is one of the flagship programmes of Department of Science & Technology (DST), Government of India. The INSPIRE Awards - MANAK (Million Minds Augmenting National Aspirations and Knowledge), being executed by DST with National Innovation Foundation - India (NIF), an

autonomous body of DST, aims to motivate students in studying in classes 6 to 10. The objective of the scheme is to target one million original ideas/innovations rooted in science and societal applications to foster a culture of creativity and innovative thinking among school children.

28<sup>th</sup> March 2022

## Farewell

A farewell ceremony is incomplete without showing teachers support and appreciation on the last day of the students.

*"MY DEAR students set your goals high and always dream big.  
Because you're only as big that dreams, your dare to live. A happy farewell to you all !*

28<sup>th</sup> March 2022

## Celebration of Graduation Day of Tiny Tots

Graduating is not the end of the chapter rather its a new chapter for the new beginning.  
The real experience starts by implementing all that you have learnt previously.

8<sup>th</sup> April 2022

## A VISIT TO DECOFLOOR

A visit to Decofloor India by Grade 12th Students 🏭

The factory visit to DECOFLOOR gave the students an opportunity to see the various proceeding in the Factory about Production and Exports 🚚 and also to gain knowledge 📖 regarding the various parts of machineries & various projects taken by the firm wherein the Students grasped different dimensions in terms of its contribution to GDP, CSR 🌴🍀 and the following of principles of Management.

8<sup>th</sup> April 2022

## ME BOOK ACTIVITY

A book 📖 is a dream that you hold in your hand 🙌."

Today was the day to learn something new for grade 1. Our little buds 🧒🧒 learnt to express themselves through an activity. Here are some of the glimpses of ME BOOK activity done by grade 1.

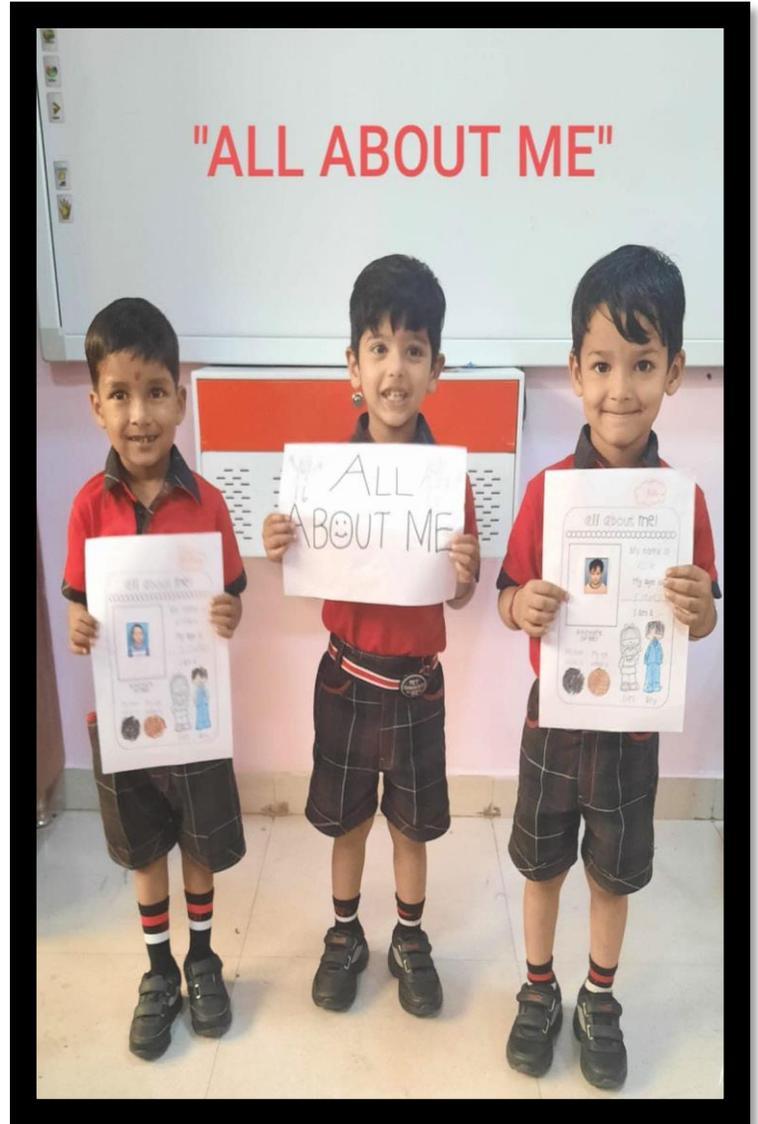

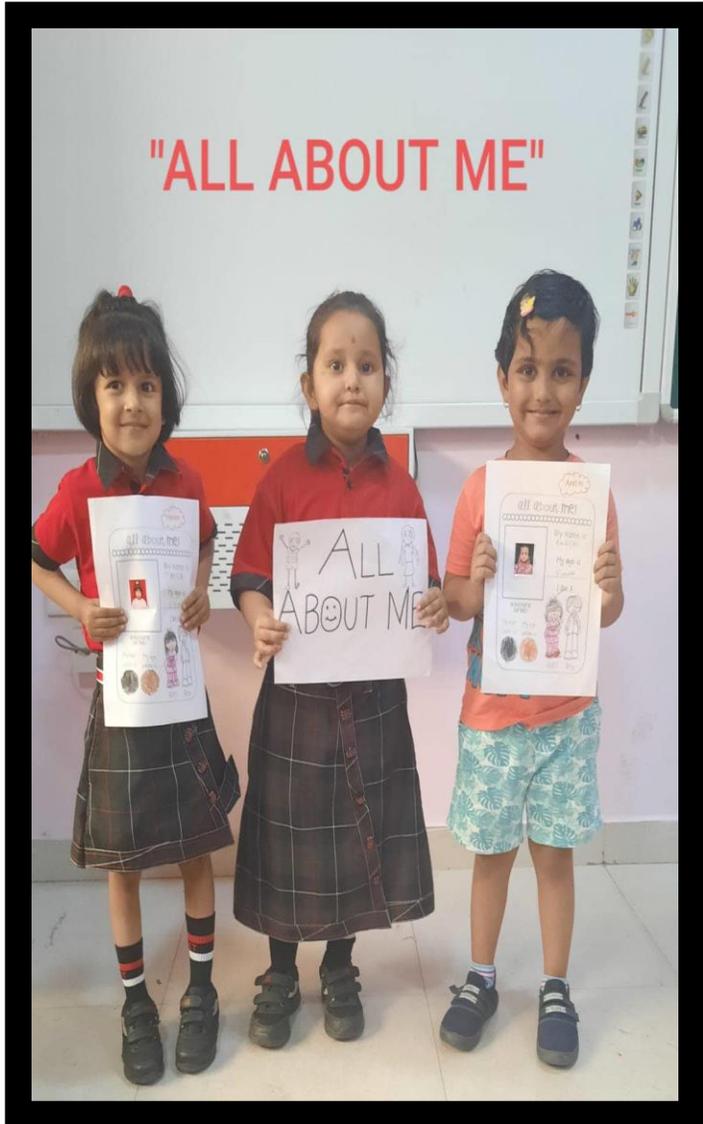

8<sup>th</sup> April 2022

## ALL ABOUT ME

"I look in the mirror  
And what do I see,  
I see the me  
No one else can be.  
I am precious  
I am glad to be me".

Children of Pre-primary learnt to express themselves through an activity "ALL ABOUT ME". All growth depends upon activity 📖. There is no development intellectually without efforts of activity based learning and effort means work through experiential learning. 🌸🌸 All about me was an amazing activity guided and conducted by Pre Primary wing Teachers to give exposure to Students in self identification simultaneously working on good Communication and Creative Skills by expressing themselves through an activity 🍌.

9<sup>th</sup> April 2022

## RAM NAVAMI FESTIVAL

Ram Navami festival gives inspiration to follow the merits of Shri Ram."  
A beautiful glance of HAWAN POOJA on the occasion of Navratri at PIET Sanskriti Senior Secondary School, NFL Township, Panipat.

9<sup>th</sup> April 2022

## PARENT TEACHER MEETING

Parent Teacher Meeting plays an important role in enhancing a child's academic performance. It is an effective way for both teachers as well as parents to discuss how the child has been doing in school. Students of Pre-Nursery to Class 12<sup>th</sup> along with their parents were invited to attend the meeting. Student's academic performance was shared with parents which catered all the areas of learning. It was a fulfilled day where students thoroughly enjoyed.

Parents also appreciated the countless efforts of the teachers and school by sharing their valuable feedback in school.

9<sup>th</sup> April 2022

## VAISAKHI CELEBRATION

Vaisakhi Celebration @pietsanskritinf1

Baisakhi, also known as Vaisakhi, marks the first day of the month of Vaisakh and is traditionally celebrated annually on April 13 or 14 as a celebration of spring harvest primarily in Northern India. Other Indian cultures and diaspora celebrate this festival too.

On Baisakhi, Sikhs observe major events in the history of Sikhism and the Indian subcontinent that happened in the Punjab region. Baisakhi marks the birth of the Khalsa order by Guru Gobind Singh, the tenth Guru of Sikhism, on April 13th 1699..

15<sup>th</sup> April 2022

## PUPPET SHOW

Puppetry is a form of theatre or performance that involves the manipulation of puppets - inanimate objects, often resembling some type of human or animal figure, that are animated or manipulated by a human called a puppeteer.

A beautiful Puppet Show depiction by Pre Primary wing.

22nd April 2022

## WORLD EARTH DAY

" Let every breath, every word and every step make the mother earth proud of us."

Special Activities in lieu of Earth Day 🌍 were planned and conducted in Classes Pre Nursery, Nursery and KG wherein the children participated enthusiastically.

The Children also pledged to look after the Mother Earth and keep it clean and green.

"Better environment, better tomorrow..."

Save The Planet."

23<sup>rd</sup> April 2022

## DISTRICT TALENT SCIENCE EXAMINATION

Aditi of Grade VIII and Dhruv of Grade V have made the School proud by grabbing winning 🏆 positions at DISTRICT TALENT SCIENCE EXAMINATION.

Aditi won the 1st Prize and has been awarded with the CASH PRIZE 💰 of Rs. 3100

DHRUV won the 3RD Prize 🥉 and has been awarded the CASH PRIZE of RS 1100.

The School wishes them the best in their future endeavours 🌸🎉

25<sup>th</sup> April 2022

## EXCURSION TO COLLEGE

Students of Grade 10 visited Piet engineering college along with computer science teachers on 23rd April. In the first session, Students were demonstrated about Robotics and it's technology. They got to know about different machines 3D Printer, Laser cutter EVA II and wood cutter Inco Woodtech. They attended working sessions and learnt how they are creating models with acrylic sheets, MDF and wood sheets. In the next session, They learnt this concept of virtual reality and augmented reality and played games using Oculus rift device. Students of Piet college presented a website made by themselves [veera.org.in](http://veera.org.in). and encouraged children to participate in that as per their interest area. It was really worthwhile and informative.

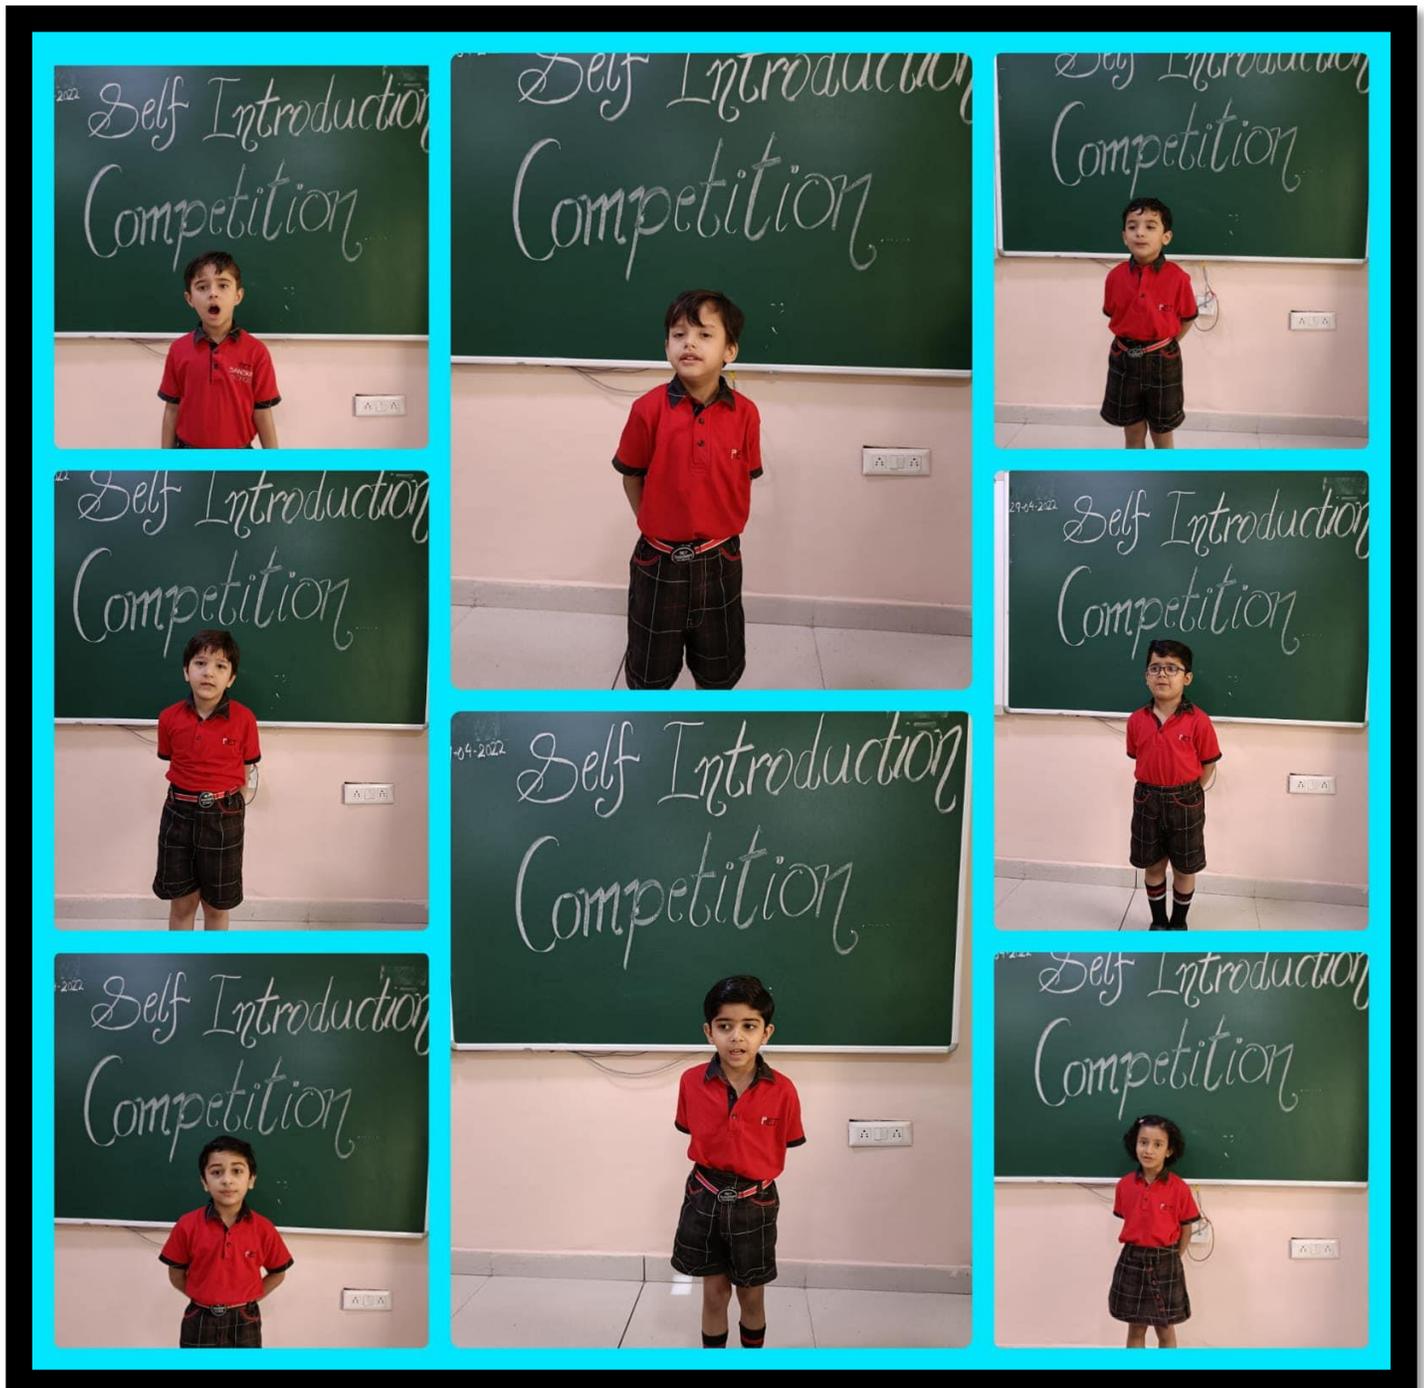

2<sup>nd</sup> May 2022

## SELF INTRODUCTION COMPETITION WAS CONDUCTED IN GRADE 1 & GRADE 2

A Self Introduction competition was conducted in Grade 1 and Grade 2 . The competition conducted was a sensational and gratifying experience for the students. The event proved that the primary kids can very well introduce themselves to the World.

Introducing oneself to the World is an art . The exposure of this kind boosts the confidence of the children and helps them to be more social . A confident mind leads one to great success even when the tides are against them. Children were excited and felt more confident when they introduced themselves.

4<sup>th</sup> May 2022

## COLOURING COMPETITION

Colouring competition was conducted for Preprimary Children (Nursery - KG) on 02/05/2022. Little ones have always fantasized about colors. Thus this Colouring Competition was a fruitful experience, where in students brought in their colorful imaginations. Children participated with zeal and showed their talent. It helped them in exploring new ideas, creativity as well as a sense of colours.

## ACHIEVEMENTS

It has been indeed a moment of pride to announce that Poorav Kadiyan of Grade 12 has been selected for the 2022 HPAIR Asia Conference, hosted in New Delhi, India. On behalf of the entire team at the Harvard College Project for Asian and International Relations (HPAIR), he is requested to make his presence available for the same .

The School is proud of his consistent achievements and wishes him best in his future endeavours.

 **HARVARD COLLEGE PROJECT FOR ASIAN AND INTERNATIONAL RELATIONS** MAILBOX 247 SOCH  
59 SHEPARD ST.  
CAMBRIDGE, MA 02138 USA

The Harvard College Project for Asian & International Relations  
Office of the Presidents & Executive Board  
59 Shepard Street, Cambridge, MA 02138  
United States of America

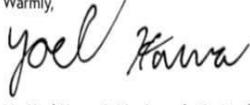

Dear Poorav Kadiyan:

**Congratulations!** We are excited to inform you that you have been selected by our team for the 2022 HPAIR Asia Conference, hosted in New Delhi, India. On behalf of the entire team at the Harvard College Project for Asian and International Relations (HPAIR), please accept our warmest congratulations!

Our team thoroughly reviews each written application and considers every interview with great care, only accepting those delegates who show the greatest promise and potential, and who we think will bring about the greatest contributions at our HPAIR Asia Conference 2022 (ACONF). Based on your previous experiences, your merit, and your passion, we hope that you, Poorav, will share your own unique ideas with fellow delegates from around the world at ACONF 2022.

The theme of this year's HPAIR Asia Conference is Finding Our Future, chosen to reflect the potential that we hold as individuals to create innovative, sustainable, and resource-efficient solutions. As we at HPAIR reflect on our 30 years of history, we too are looking ahead to what the future holds as we bring together yet another generation of future leaders. This conference we are proud to hear from pioneers and trailblazers in their field, including Dr. Krishna Ella (Chairman of Bharat Biotech), Michael Horvath (Founder and CEO of Strava), Debby Soo (CEO of OpenTable), and many others. In the past, our conferences have featured Government Leaders (Former President of South Korea, Former President of Singapore, Former Prime Minister of Australia), Global Business CEOs (Global Managing Partner at McKinsey & Co., CEO and Founder of Infosys), International Celebrities (Lan Yang, Priyanka Chopra, Steve Aoki), Nobel Prize Winners (Muhammad Yunus, Tawakkol Karman), among many others! This upcoming conference will take place from August 20 - 24, and will allow you to engage with even more renowned speakers, network with fellow delegates, and create lifelong memories and connections.

As the Co-Presidents of HPAIR, we wanted to personally congratulate you on your acceptance through our highly-selective process, and welcome you to HPAIR. We can't wait to meet you in August in New Delhi!

Warmly,  
 

Mr. Yoel Hawa & Mr. Joaquín Cortacáns Sosa  
Co-Presidents  
The Harvard College Project for Asian and International Relations (HPAIR)
